Location: 3 Springfield, Petrockstowe, Okehampton, Devon
No Objections

Submission

Our Ref: 1/0084/2016/AGR
Date: 26th January 2016
Proposal: An agricultural building to provide storage for hay, straw and machinery
Location: Berry Farm, Petrockstowe, Okehampton, Devon EX20 3ET
No Objections

Submission

Our ref: 1/0058/2016/AGR (Alternative Reference PP-04769954)
Date: 21st January 2016
Proposal: A small shed, made on a concrete base. To store items in. To be made from Timber with a flat roof. No waste sewer needed. A water butt will be used to collect the rain water. No power in the building.
Location: Land At Sincocks Farm, Petrockstowe, Devon
Comments: With regards to the above application, Petrockstowe Parish Council have the following concerns: They do not consider a 20 foot square building on a concrete base to be a small shed. There are no reasons put forward for the intended use of this shed or why they require it. Previously buildings have been erected with no planning approval on this site, and the agricultural land has been used for non-agricultural purposes.

Approval
